GROUP WORKSHOP

Let's connect and share what is working and what challenges you are experiencing supporting your communities to flourish. Together we will brainstorm:

- Successful past initiatives that other communities may be able to adapt
- What events Councils are running in 2021
- Synergies where people can work together on projects
- Understanding what grant opportunities are available for projects
- Sharing of templates to help us all work smarter not harder
- Identification of collective challenges that Legatus can lobby for further support for

2.45-3pm

**WRAP UP, NEXT STEPS
AND CLOSE**
