# Acknowledgement of Country

As guests here on Kaurna land, we acknowledge everything this department does impacts on Aboriginal country, the sea, the sky, its people and their spiritual and cultural connection which have existed since the first sunrise. Our responsibility is to share our collective knowledge, recognise a difficult history, respect the relationships made over time, and create a stronger future. We are ready to walk, learn and work together.

# Presentation Topics

- NPR review update
- SA NPR trials
- Benefits of benchmarking
- <10,000 indicator consultation
- What's next

# NPR Indicator Review Update

- Final NPR indicator review report published
- Awaiting <10,000 reporting endorsement at national level
- Timeline for inclusion of <10,000 unchanged

# Benefits of Benchmarking

Support	Understand	Provide	Enable
Support continual improvement	Understand state of assets & maintenance effectiveness	Provide information for entities, regulators, LGA, other stakeholders, customers and researchers	Enable a safe and reliable CWMS

# SA NPR Trials

## Phase one (Oct 2021 – Dec 2021)

- Shared understanding of proposed reporting requirements
- Ability to provide data
- Six participants

## Phase two (Feb 2022 – May 2022)

- Trialling data collection
- *qldwater* SWIM web portal
- Five participants

# <10,000 Indicator Set Consultation

## Process

- Targeted consultation
- Subset of 93 reported indicators
- Traffic light system

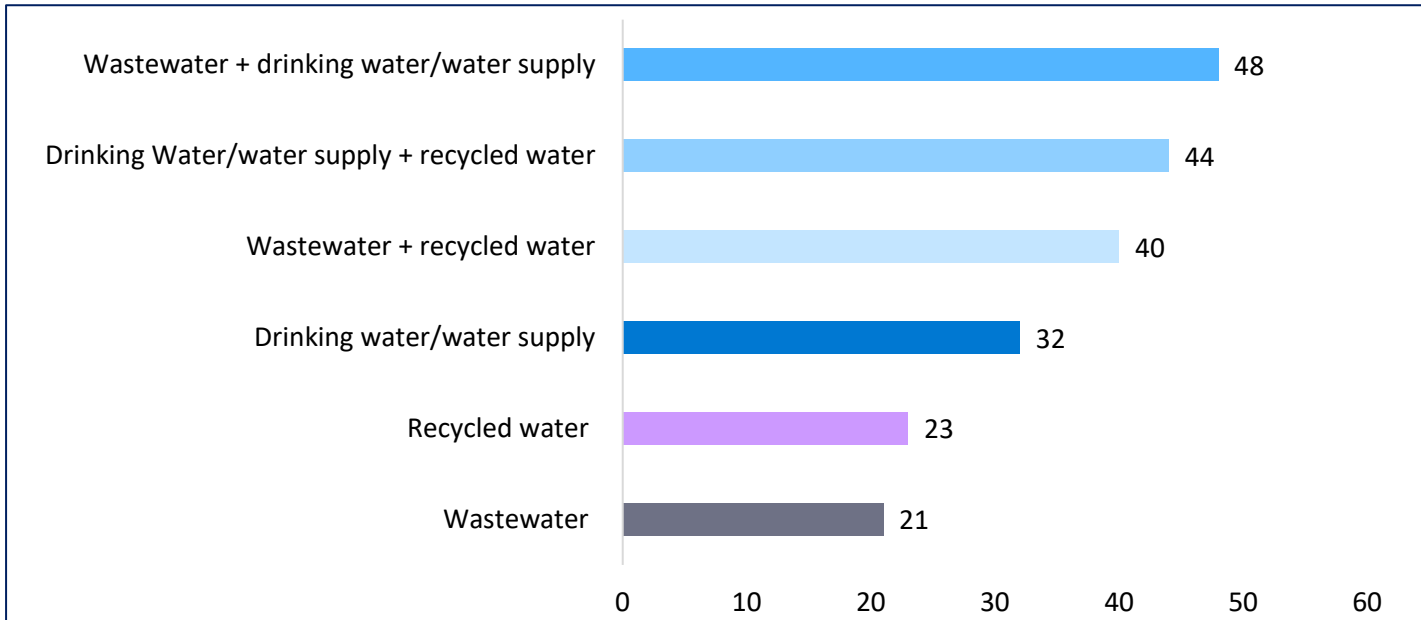

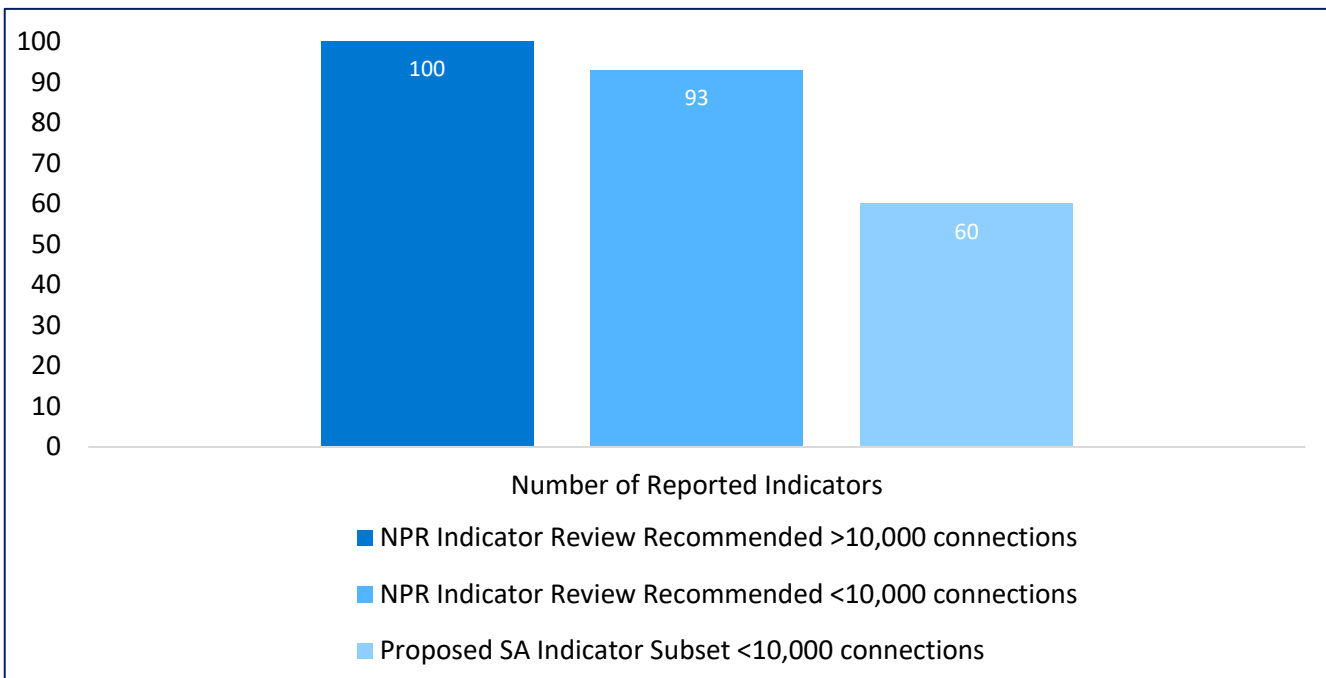

## Feedback

- 45 responses received
- Echoed feedback received from SA Trials
- Helped shaped proposed subset for SA

# <10,000 Indicator Set Consultation

# What's next?

- Support and education
- OTR to inform
- Reporting timelines

# Contact

**Emily Lohmann, Senior Water Infrastructure Officer**
